

Free* Company Swag Store + Stipend

All the swag. None of the headaches.

Introducing the first end-to-end swag experience for HR and employees.

Unlike traditional swag vendors, Compt's **Company Swag Store** (powered by Snappy) combines custom branded merchandise with swag stipends for employees to self-service in one platform.

The Power of Compt & Snappy

All-in-one benefits platform

Support consolidation efforts with swag, stipends, recognition, and reporting, all in one place.

Simple and turnkey

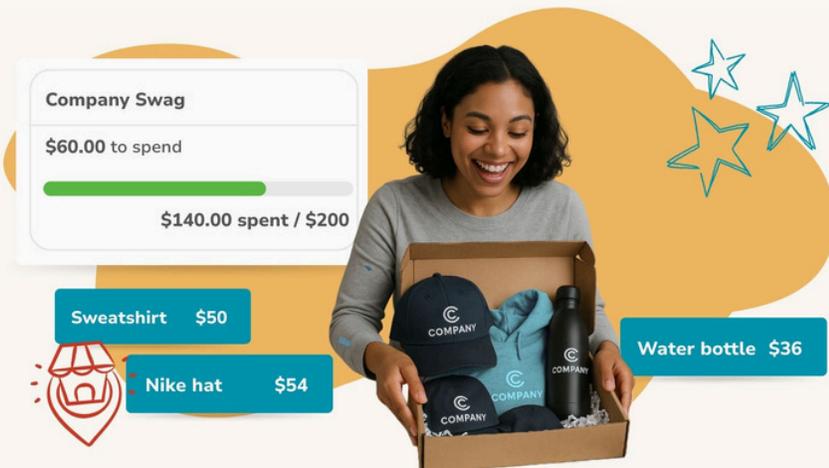

Set it up once, and it runs on autopilot for new hires, anniversaries, and birthdays.

Time back for HR

Stop playing fulfillment center and storage unit. With the Company Swag Store, you're not stuck managing inventory.

85% of U.S. employees feel a stronger sense of pride when they wear company-branded swag.

How It Works

- 1. Chat with us to design your program.** We'll customize your store with your colors, logo, and products, and set up your swag stipend.
- 2. Your people shop.** Employees log into Compt, browse the swag, and place their orders. They can use their swag stipend (or personal funds) to load up on branded gear.
- 3. Snappy fulfills the order.** Everything is made-to-order and shipped straight to employees in 170+ countries. No inventory for HR, no manual work.

*Available to organizations with 50+ employees and a U.S. entity. \$500 one-time setup fee. No ongoing stipend fees, no order minimums. Item pricing set by Snappy.
